Cal Welcomes New Principal – Mr. Brady Lake!

lakeb@calschools.org

Dear Caledonia Students and Families,

As the new principal of Caledonia High School, I want to welcome you to the 2015-2016 school year. I am extremely excited about this school year for many reasons. First and foremost, I look forward to getting to know our students and families. I know that Caledonia is a wonderful community with outstanding students. Together we can do amazing things at CHS. Our mission statement at Caledonia High School is to “provide all students with a learning environment and educational programs that enable them to become caring people and effective users of ideas and information.”

I want to encourage each student to start the school year with a hunger to learn and to make the most of their time at Caledonia High School. I am confident that in partnership with families and the community, Caledonia High School will continue to be a great place to learn and prepare for life’s next step.

Full updates return the first week of school – September 8th
