

## Naviance Succeed/Family Connection

Naviance Succeed is a web-based service that allows students to obtain direction for their futures during their tenure at Caledonia High School. Naviance Succeed's four-tiered program allows students to set goals for academic course planning, college planning, career planning, and success planning.

The guidance counselors will work closely with students beginning in 9<sup>th</sup> & 10<sup>th</sup> grade to set up accounts to begin course and career planning throughout the school year. 11<sup>th</sup> grade students will be introduced to the program in October & November. Senior students will have the opportunity to set up accounts in September.

This account registration process is done via Family Connection from Naviance. Family Connection is a comprehensive website that you and your child can use to help in making decisions about courses, colleges, and careers. Family Connection is linked with Naviance Succeed, a service that we use in our office to track and analyze data about college and career plans, so it provides up-to-date information that's specific to our school.

To visit our school's Family Connection go to:

<http://connection.naviance.com/caledonia>

You will need a personal access code to register for Family Connection. Please contact Student Services either by calling our office at 891-0214 or by e-mailing your child's counselor to obtain your access code. Once you have registered, you will sign in using the user name and password you select during the registration process.

If you have further questions, please contact your counselor.

Yours truly,

Kurtis Hoffman
