To become a member of NHS, information about your previous scholarship, leadership, character and service must be submitted to the Caledonia National Honor Society Faculty Council. All application materials and directions are included in this packet. Read it completely and carefully.

There are four pillars of the National Honor Society. To be a member of this organization you must prove that you are exemplary in each of these areas.

Scholarship: You must have and maintain a minimum grade point average of 3.5.

Service: You must accumulate and verify at least 40 hours of community service during your high school career prior to acceptance to NHS. Hours served during middle school do not count. You may start counting hours in the beginning of the summer before your freshman year. Interim service projects or anything for which you have received credit or payment do not count. A spreadsheet for documenting your hours is included.

Leadership: You must have served in at least one leadership role in school, church, the community, etc. during your high school career. Verify your role(s) by getting the leadership form signed. Some examples of leadership are being a captain of an athletic team, a section leader in music classes, a Sunday school teacher, a youth group leader, or a student council member.
